munozcr1@msu.edu

Short Pitch

A web page that demonstrates the projects, work experience, and technical skills/abilities of Chris Munoz.

Long Pitch

Cmunoz.com will mainly be a site focusing on work experience and skillset in the web/software development sector. The site will also be utilized as the primary way to market Chris Munoz to employers/recruiters who are seeking individuals with web/software development skills. In May 2015, Chris Munoz will be obtaining a bachelor's degree in Information Technology, therefore Chris is seeking full time job opportunities.
